PROFESSIONAL EXPERIENCE

Head, External Liaison Department / *SAGA, Beijing & Hong Kong* *Aug 2024 – Present*

- Built partnerships with 43 university volunteer associations across mainland China, Hong Kong/Macau, and three countries overseas for SAGA, a student-led initiative under Beyond the Pivot, expanding cross-campus resource sharing.
- Directed a 10-person team that recruited 200+ volunteers and, with medical-institution partners, produced a childhood-leukemia education guide displayed in 60+ metro stations nationwide.

CEO Assistant & Industry Analyst Intern / *Invest MENA, Shanghai & Dubai* *Jul – Oct 2025*

- Authored two flagship reports on Chinese products entering the Middle East and an investment policy white paper on the UAE industrial sectors, shaped client policy and investment discussions.
- Benchmarked investment policies across countries to help design a Middle East market-entry strategy the CEO adopted for client presentations; drafted 8 meeting minutes and 5 client research briefs.

Risk Management Consulting Intern / *KPMG Advisory (China) Ltd., Beijing* *Jan – May 2025*

- Co-authored 20+ risk-management and compliance reports supporting annual and semi-annual disclosures for Tier-1 state-owned banks.
- Mapped compliance processes against industry benchmarks and used Excel and internal risk-control systems to integrate financial and compliance data, improving reporting accuracy.

Part-Time Assistant / *Boston Consulting Group (BCG), Beijing* *Nov 2024 – May 2025*

- Supported an FMCG project team in processing 300,000+ data records and drafting four industry reports that informed strategic recommendations.
- Built client presentation materials from key findings, earning partner recognition and adoption for internal training, while resolving data discrepancies with project and client teams.

Research Intern / *Saint Pierre Center for International Security (SPCIS), Beijing* *Jul – Dec 2024*

- Synthesized academic and policy literature for the China–South Asia Studies Research Group, using mixed-methods analysis (trade data, security indicators, policy documents) to evaluate China–India strategic and economic relations.
- Authored a policy memo on China–India trade and security for institutional briefings; produced three meeting notes from client roadshows.

Research Assistant to the Secretary-General / *Grandview Institution, Beijing* *Dec 2023 – Apr 2024*

- Helped plan and run three international events, including diplomatic salons and policy forums, independently leading logistics for a Tsinghua–Schwarzman Scholars delegation.
- Co-authored three monthly think-tank reports, two public articles, and a South Asia security brief; independently wrote a 4,000-word article forecasting Sino-U.S. negotiations at APEC 2025.

ACADEMIC RESEARCH PROJECTS

Team Leader, National Undergraduate Innovation & Entrepreneurship Program / *RUC* *Mar – Dec 2025*

- Used panel data from 680 agricultural counties and 20+ field interviews to study how farmers' bargaining power shapes food security and income distribution.
- Built quantitative models (endowment effect, hyperbolic discounting) of farmer selling behavior and recommended policies to strengthen cooperatives and market access.

Team Leader, Municipal Undergraduate Innovation & Entrepreneurship Program / RUC *Mar – Dec 2024*

- Designed a behavioral-economics study on “buy now, pay later” consumer decisions; collected 300+ survey responses and ran Stata regressions to recommend ethical product design.

Independent Research, Urban–Rural Integration / School of Economics, RUC *Sept 2024 – Dec 2025*
